RESEARCH CARRIED OUT

- Carried out a research to assess the level of knowledge among Copperbelt University Students on HIV and AIDS.
- In fulfillment of the requirements for the award of a BSc. Degree at CBU, I carried out a research entitled 'Dissemination of Property Information Via Mass Media'.

The aim of the study was to establish the role that the mass media can play in the dissemination of property information among professionals in the real estate industry with a view of improving their advice.

- As a continuance of academic progression, I have continued to research on property management, various aspects of property investment and finance and their influence on property performance.

The following are some of the companies we deal with in the stated services:

1. Mobil Oil Zambia Limited,
